Ètra è . . . un raffinato itinerario attraverso le cave di cinque eleganti marmi, selezionati tra i più sontuosi ed ammalianti. Il viaggio si snoda seguendo le sfumature classiche del Calacatta e del marmo di Carrara, passando per le tenui gradazioni grigio ed avorio del Pulpis, concludendosi con le calde striature del Nero St. Laurent.

Ètra is . . . a refined itinerary through the quarries of five marbles, selected among the most sumptuous and enchanting. The journey weaves through the classic shades of Calacatta and Carrara marbles, passing through the soft gray and ivory gradations of the Pulpis, ending with the warm stripes of Nero St. Laurent.
